Data Plus Unveils New Website: HotelFMS.com

June 24, 2024

Massachusetts, June 24, 2024 – Data Plus is excited to announce the launch of its new and rebranded website, HotelFMS.com, an upgraded web presence to showcase Data Plus's comprehensive financial management solution tailored specifically for the hospitality industry. The new site will help Data Plus in expanding its products and partnerships content associated with its rapidly growing and robust suite of Financial Management System (FMS) solutions, DP Finance, DP Supply, and newly introducing DP Pay, the latest addition.

Bruce Bensetler, CEO of Data Plus, commented

"HotelFMS.com marks a significant milestone in our company's evolution, showcasing the culmination of years of dedicated development into our comprehensive Financial Management System. This complete end-to-end solution is designed to meet the demands of our clients for advanced financial control, automated payments, enhanced fraud prevention, and unparalleled flexibility. Our new website's engaging and accessible design ensures users can effortlessly find the information they need. This launch is not just about a new website; it's a bold step towards our vision of empowering clients with a cutting-edge Financial Management System that redefines efficiency and innovation in the hospitality industry."

Key Highlights of the New Design:

User-Friendly Interface: The new website features an intuitive design that ensures a seamless user experience on both desktop and mobile, making it easier for clients to navigate through the various products and services offered. **Enhanced Product Showcase:** HotelFMS.com provides detailed information on Data Plus's suite of Financial Management System (FMS) solutions, including DP Finance, DP Supply, and the newly introduced DP Pay.
